Wine Selection

Natural Chardonnay

Ino Es Pituko (Chile)

Lovely bright, spicy citrus fruit aromatics. The palate is lively, textured and expressive with orange peel, mandarin and lime.

Red

Terres Falmet Mourvedre (France)

Peppery with aromas of spices, garrigue herbs, blackcurrant and blackberry. Robust and tannic palate, but also very rounded with beautiful fleshy character, minerality and also black fruit aromatics.

Rosé Organic

Cirelli La Collina Biologica (Italy)

Aromas of balsamic-dipped cherry, freshly cut thyme and blood orange. The palate is rounded and smooth in a rich red-cherry flavor that's held in check by a tangy limestone accent.
